Sponsorship:
15th EURADH - European Adhesion Conference
&
23rd Spanish Congress on Adhesion and Adhesives

The **15th edition of the EURADH (European Adhesion Conference)**, along with the **23rd biannual edition of the Spanish Congress on Adhesion and Adhesives**, will be held in **Valencia (Spain) in October 2025**. This event is organised by the **Spanish Group on Adhesion and Adhesives (GEAA)** in collaboration with the **Spanish Association of Adhesive and Glue Manufacturers (ASEFCA)**.

This international event will span three days and will serve as the principal forum for the exchange of knowledge and technology among specialised professionals, adhesive manufacturers, and users who are interested in learning about technological advances, the latest market developments, and applications in adhesive bonding technology.

The conference covers all aspects of the science and technology of adhesion and adhesives, including:

Adhesion aspects; Surface treatments; Adhesives synthesis and formulation; Joints design; Testing and characterization of adhesives, surfaces and adhesive joints; Industrial application of adhesives; Environmental and ecological aspects.

This edition purposes the participation of the industrial network that already uses adhesive solutions in its manufacturing processes or seeks to improve its solutions with the latest market innovations facing global challenges. Moreover, there will be an opportunity to present proposals to participate in the congress with practical and real examples where their sharing will be of great interest to all industrial sectors in

which adhesive bonding has become a facilitating technology for innovative and sustainable manufacturing.

EURADH 2025 provides an opportunity for all producers, distributors, suppliers and service providers linked to the adhesive and sealant industry to show their latest developments and sustainable solutions. Should you be interested in sponsoring this unique international event find the sponsoring conditions below. For organisational reasons, we would be very grateful if you could reply as soon as possible.

If you would like more information, please do not hesitate to contact us.
